LAE-FCPE Endorsement Process

Nearly 300 of your colleagues from across Louisiana have collectively spent more than 2,700 hours reading questionnaires, conducting candidate interviews, and deliberating about candidate qualifications. They explored the thoughts and actions of the individuals seeking election and looked at their positions on such issues as teacher accountability, charter schools, teachers' retirement, privatization and state funding.

The goal of the endorsement process is to ascertain how closely the positions of the men and women running for the Board of Elementary and Secondary Education (BESE), local senate and house seats, and governor compare with your values as public school employees.

The LAE Fund for Children & Public Education (LAE-FCPE) Committee recommends all of the candidates included within this document. Committee members urge you to **CAST YOUR VOTE** for these recommended individuals.

GEAUX VOTE ON OCTOBER 22ND!
