

You want to teach. Well we want to help you.

LAE is a union of teachers, support professionals and administrators dedicated to providing a quality education for every child in Louisiana's public schools.

LAE is dedicated to acquiring more than adequate funding for schools and school districts.

LAE is committed to school safety and the safety of students and employees.

LAE is devoted to finding the answers to the many questions surrounding ESEA "No Child Left Behind" and how it will affect our profession and our schools.

This is our invitation to you to get involved. This is our invitation to you to recruit others that believe in our mission.

This is our invitation to you to become a part of an organization that sees the future of public education in Louisiana.

Get involved to help make LAE the organization you want it to be.
